Facilities Expand As Enrollment Grows

Grow! And that is just what Pleasant Hill did this year. An increase in students, a newly added shop and biology room, and new courses in the curriculum were all part of that growth.

From 1963 to 1964 the number of students has increased almost fifteen percent, the highest percentage of growth of any school district in Lane County. The enrollment of the high school increased from 227 to 243.

The increase in students has meant an increase in buildings. In December the shop was finally put into use. The shop, a two story structure with rooms for various classes, was furnished with $10,000 in new machinery. The biology room was added onto the south wing. A plant room and $4,000 in new equipment, including a marine aquarium, helped to increase research and experiments in that department.

Like the growth of the school, the size of our *Hepta* has increased to 96 pages, making this the largest *Hepta* ever. We hope you will enjoy this bigger and more complete yearbook.

Faculty

In 1965, after 20 years of service to Pleasant Hill high school, Miss Dora Ellen Cash retired.

Although many of her students had a hard time realizing it, Miss Cash had a deep interest in each of them. She hated to see her students flunk and did her best to make them work. One of the main objects of Miss Cash's teaching was to make a student think for himself.

Miss Dora Ellen Cash was an outstanding and devoted teacher. The impression she left on her students and on the school will remain for years to come.

Seniors Establish Traditions

Seniors not only left a lasting impression on the school but also took with them fond memories of their high school years at Pleasant Hill.

Graduates will remember the work on their park project – the clearing of brush and other clutter from the oak grove and the putting in of benches and tables.

Class members also will remember the Senior Hall and Senior Lawn. The hall off the main wing and the lawn between the science wing and the main wing were established by the class of '65 as places where seniors could get away from it all. In these areas seniors were allowed to keep out all underclassmen. This privilege was to be passed on to each senior class of Pleasant Hill.

These activities as well as their sophomore dinner, the prom, athletic events and other school functions will be among the many memories of the class.

Don Laird, Val Hanson and Lonnie Simonsen represent the class at student council meetings.

Juniors Climax Spring With Successful Events

Junior Class Officers:
President, Ron Hill
Vice-President, Mickie Hill
Secretary, Linda Taylor
Treasurer, Jon Boggs
Sgt-at-arms, Kelly Martin

A great deal of effort on the part of this year's juniors made the spring of 1965 one to remember.

As juniors they continued the hard work to earn money that they started as sophomores. This year the class sponsored two main projects, the junior-senior powder puff football game, which ended in a tie, and a film, *The Day The Earth Stood Still.*

By achieving their goal, to make more money than any other class at P.H., the juniors were able to present the annual Junior-Senior Prom and barbecue.

The prom, highlighted by the music of the Key-Tones, and the barbecue were successful and memorable events.

Representating the junior class this year in Student Council are Dennis Ewing, Carolyn Condos, and Frank Large.

Sophomores' New Ideas and Hard Work Pay Off

Sophomores Class Officers:
President, Doug Putschler

Secretary, Ramona Fountain
Treasurer, Susan Bayne
Sgt.-at-Arms, Steve Hammond

Initiative and hard work proved valuable to the sophomore class. The sophomores not only sponsored the annual Sophomore Dinner, but also held many new money-raising projects.

Before Christmas the class sold fruitcakes, suggesting them as ideal gifts. During basketball season, sophomores could be seen selling popcorn and hot dogs at home games. They also passed a food basket containing pastries among their mothers. Each mother would buy a pastry, bake one to replace it, and pass it on.

Another idea of the sophomores was offering either pizza or baked ham as the main dish at the annual Sophomore Dinner.

The dinner, as well as the other money-raising projects, made this year a very successful one for the sophomores.

Representing the sophomore class in Student Council are Terry Dotson, Jeanne Barker, and David Fountain.

Variety of Clubs Serve Wide Range of Interests

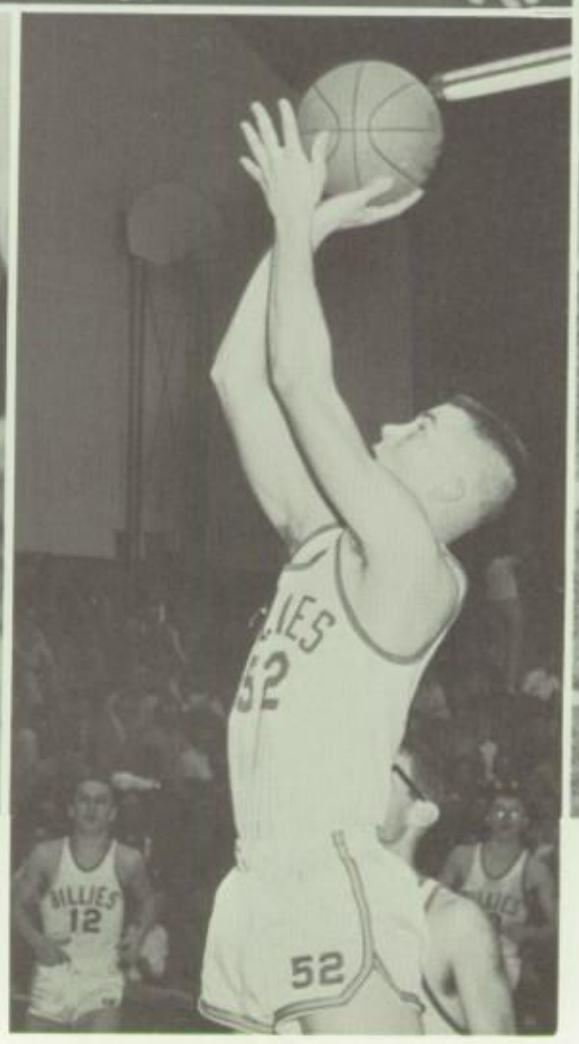
Three District Championships Bring All-Sports Trophy To Pleasant Hill

The year 1964-65 was a great one in athletics for Pleasant Hill. The Billies fielded district championships teams in cross country, basketball and track, with the latter two gaining state titles. On May 27, at the schools awards assembly, it was disclosed that because of desire and determination, Pleasant Hill had received the district all-sports trophy.



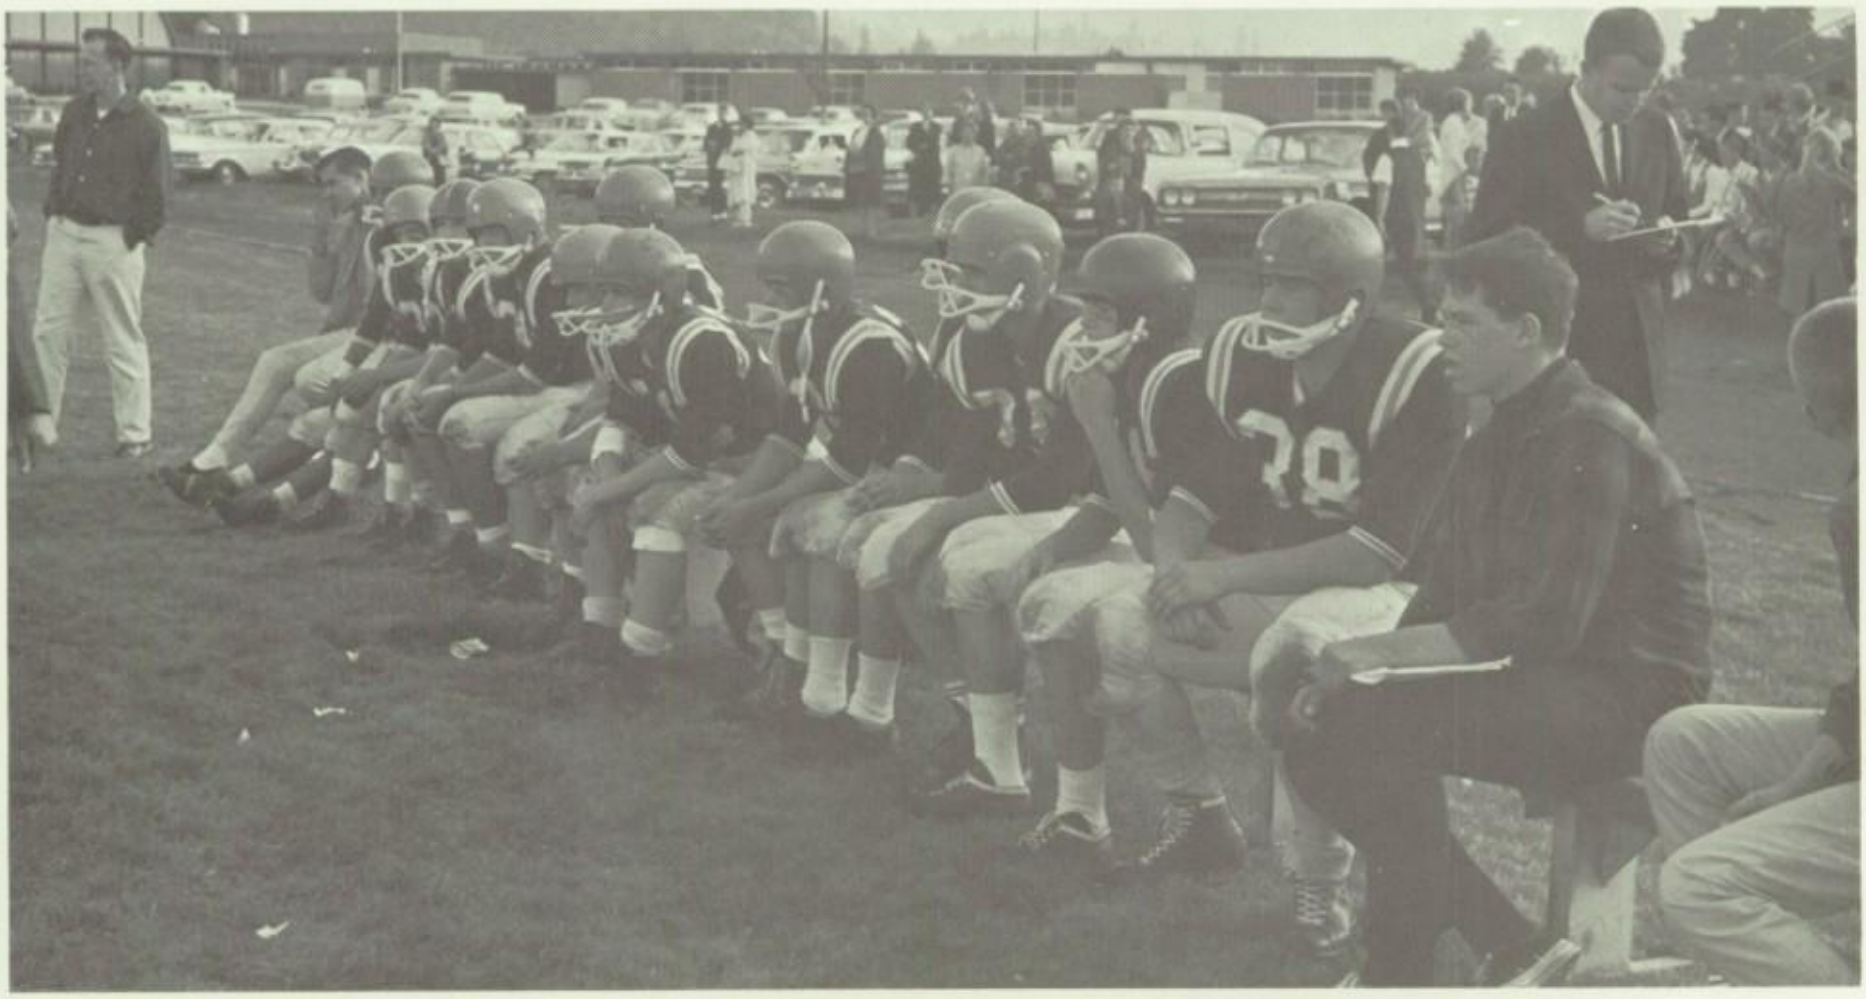
Football

Because of injuries to key players and lack of experience, the Billies ended the season with a one-win, eight-loss record. In spite of these handicaps, spirit and determination were high during the season.

PH had a total of 74 first downs throughout the season while the opposition made only 6 more; however, they gained a total of 2,467 yards to 1,488 yards for the Billies.

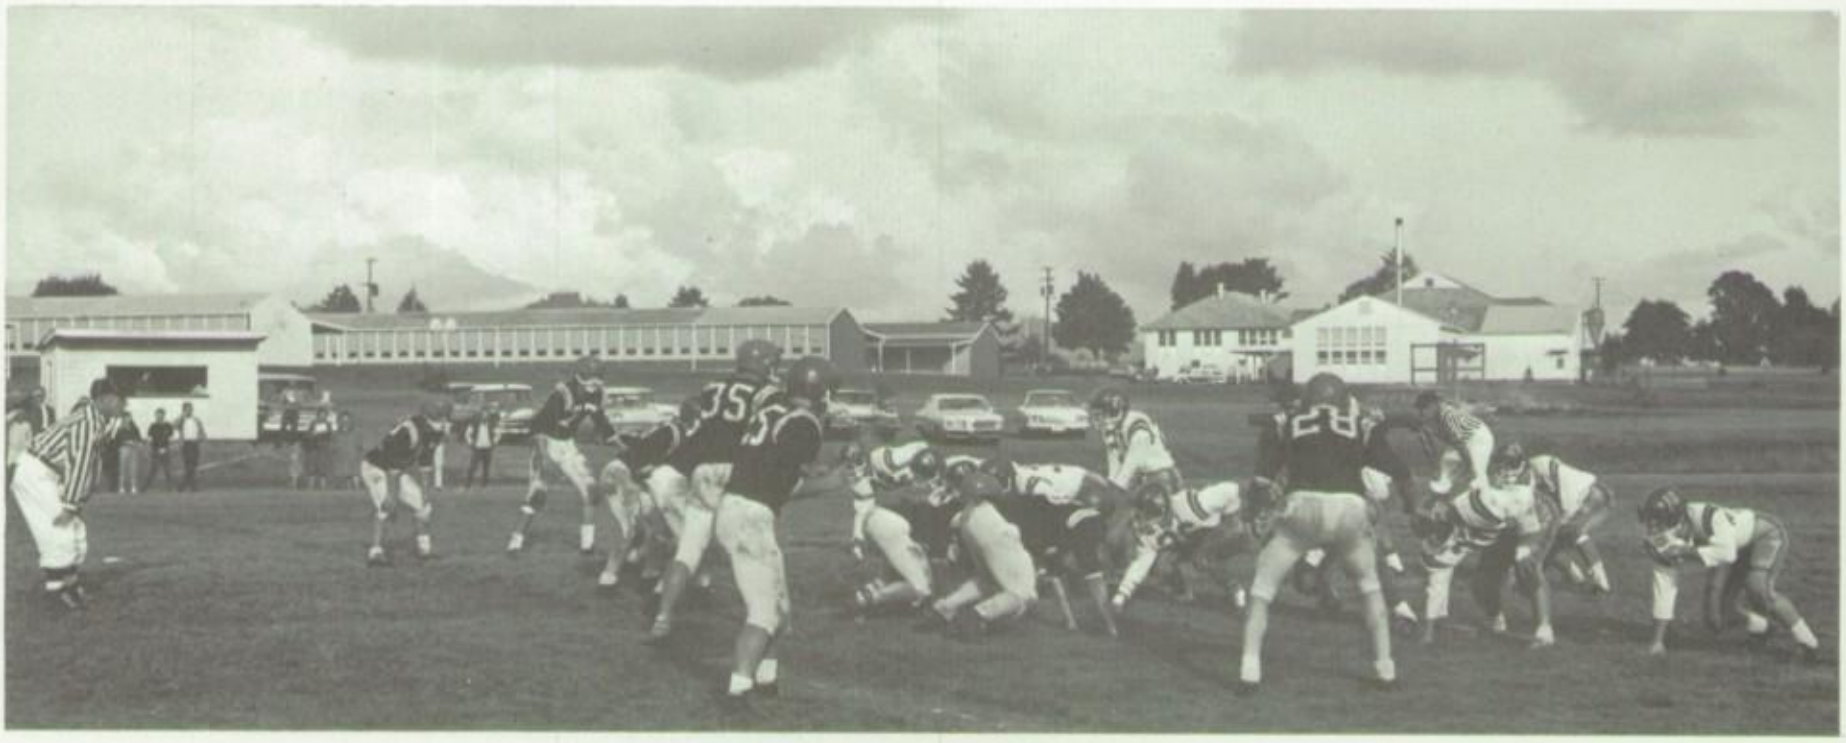
Delbert Mann, who intercepted four passes, was named by the coaches as the outstanding football player of the 1964 season. The Booster Club named Delbert as the most valuable back, while choosing Ron Pallin as the outstanding lineman.

Leaping for a pass interception are Billie players John Collins (25) and John Simon (66).



While waiting for a chance to play, defensive team members become absorbed in the action on the field.

Trying to open a hole for full-back Kelly Martin (33), are Dean Krohnke (35) and Delbert Mann (21).



The Billie defensive team anxiously awaits the snap from the center.

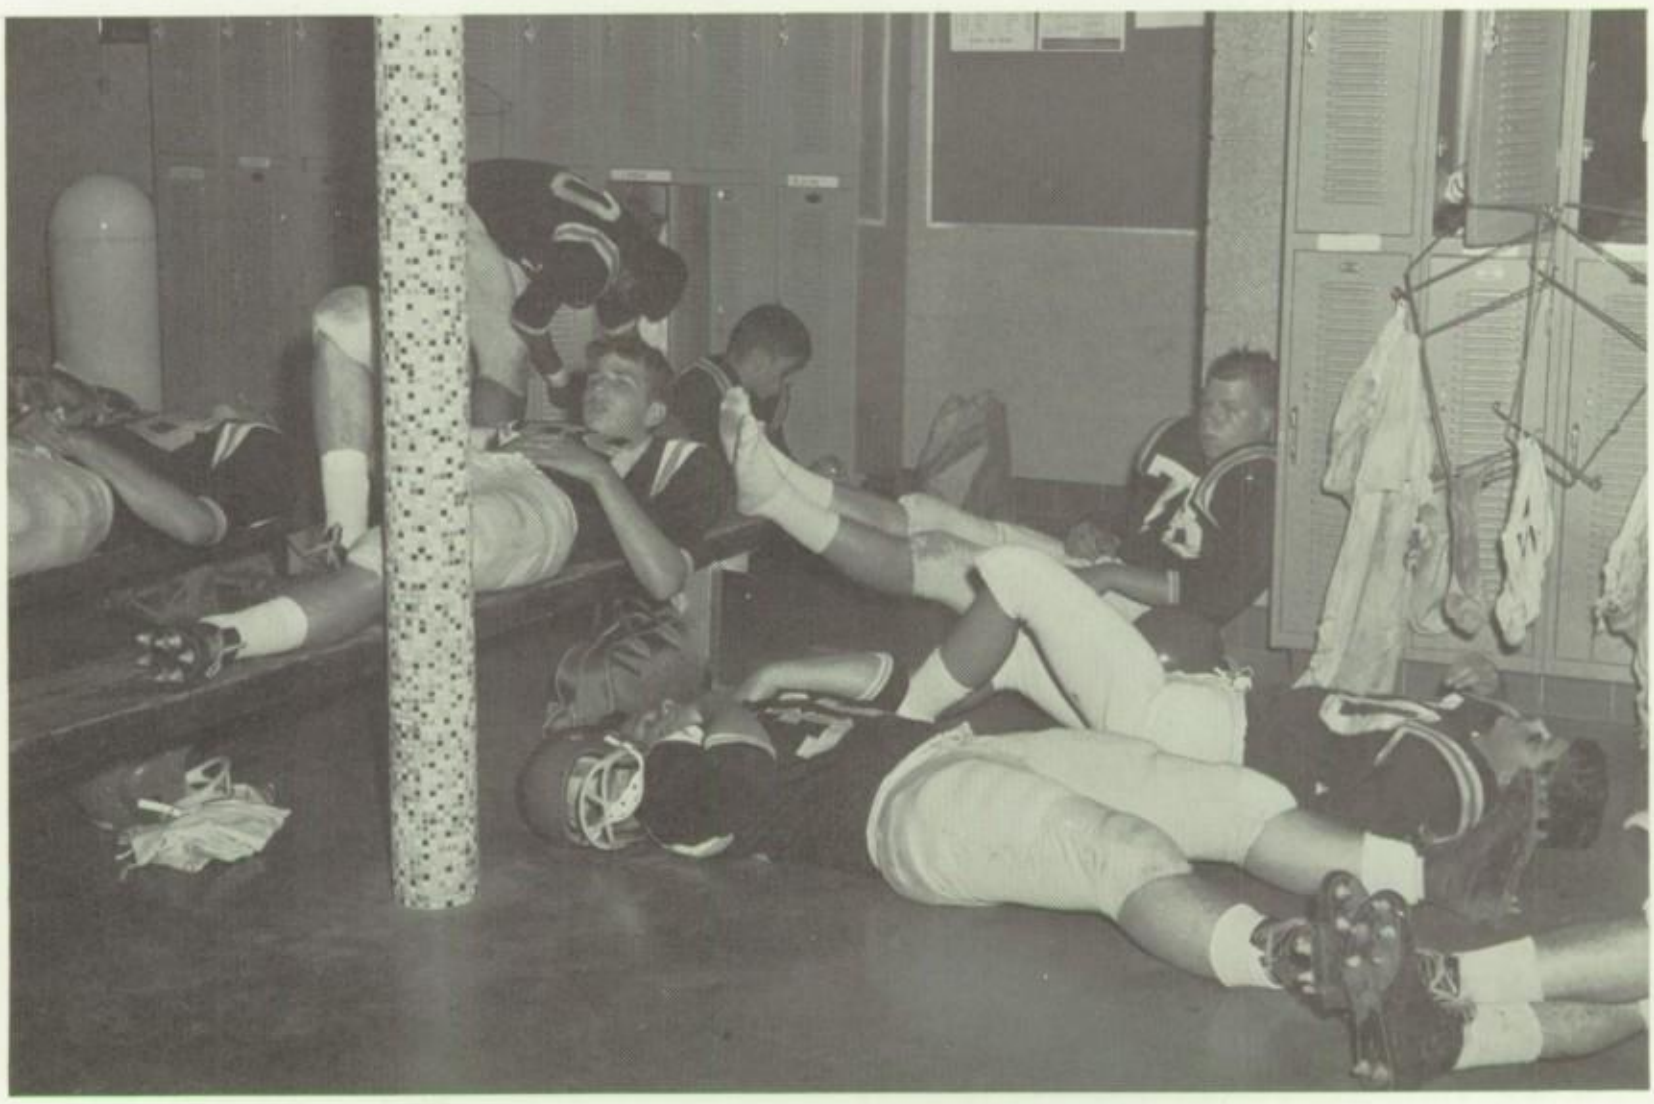
John Collins (25) and Keith Weiss (76) try to clear a path for Delbert (21) by blocking out a Saint.

After play is dead, players begin to unpile.

Coaches Bud Lewis and Ralph Perkins suggest plays to quarterback Marc Paulman.

Billie players halt a Saint for little gain.

Tired and frustrated Billie team members rest during half-time.



Leaving the woods as he finishes a practice run is sophomore Lonnie Bradshaw.

Cross Country

The Billie cross country team finished a successful season by capturing the district title and taking second in the state contest. This was the fourth consecutive year the Billies won the district title and the third year it placed second in state.

During the regular season the cross country team compiled an 8-win, 1-loss record. Besides this the Billies came in fifth in the Willamette Invitational.

Willard and Lonnie Bradshaw gave outstanding runs in both the district and state meets. At the district contest Willard placed second and Lonnie third, while at the state meet Lonnie took sixth with Willard seventh.

Four years of continual varsity cross-country brought Willard the most valuable runner award.

Those making up this year's varsity cross country team are, *from left:* Ray Hammitt, Jay Hammitt, Willard Bradshaw, Lynn Davis, Lonnie Bradshaw, Larry Wampler, Loyd Kildal, and Coach Puckett.

Coach Puckett discusses strategy with runners Larry Wampler, Loyd Kildal and Lynn Davis.

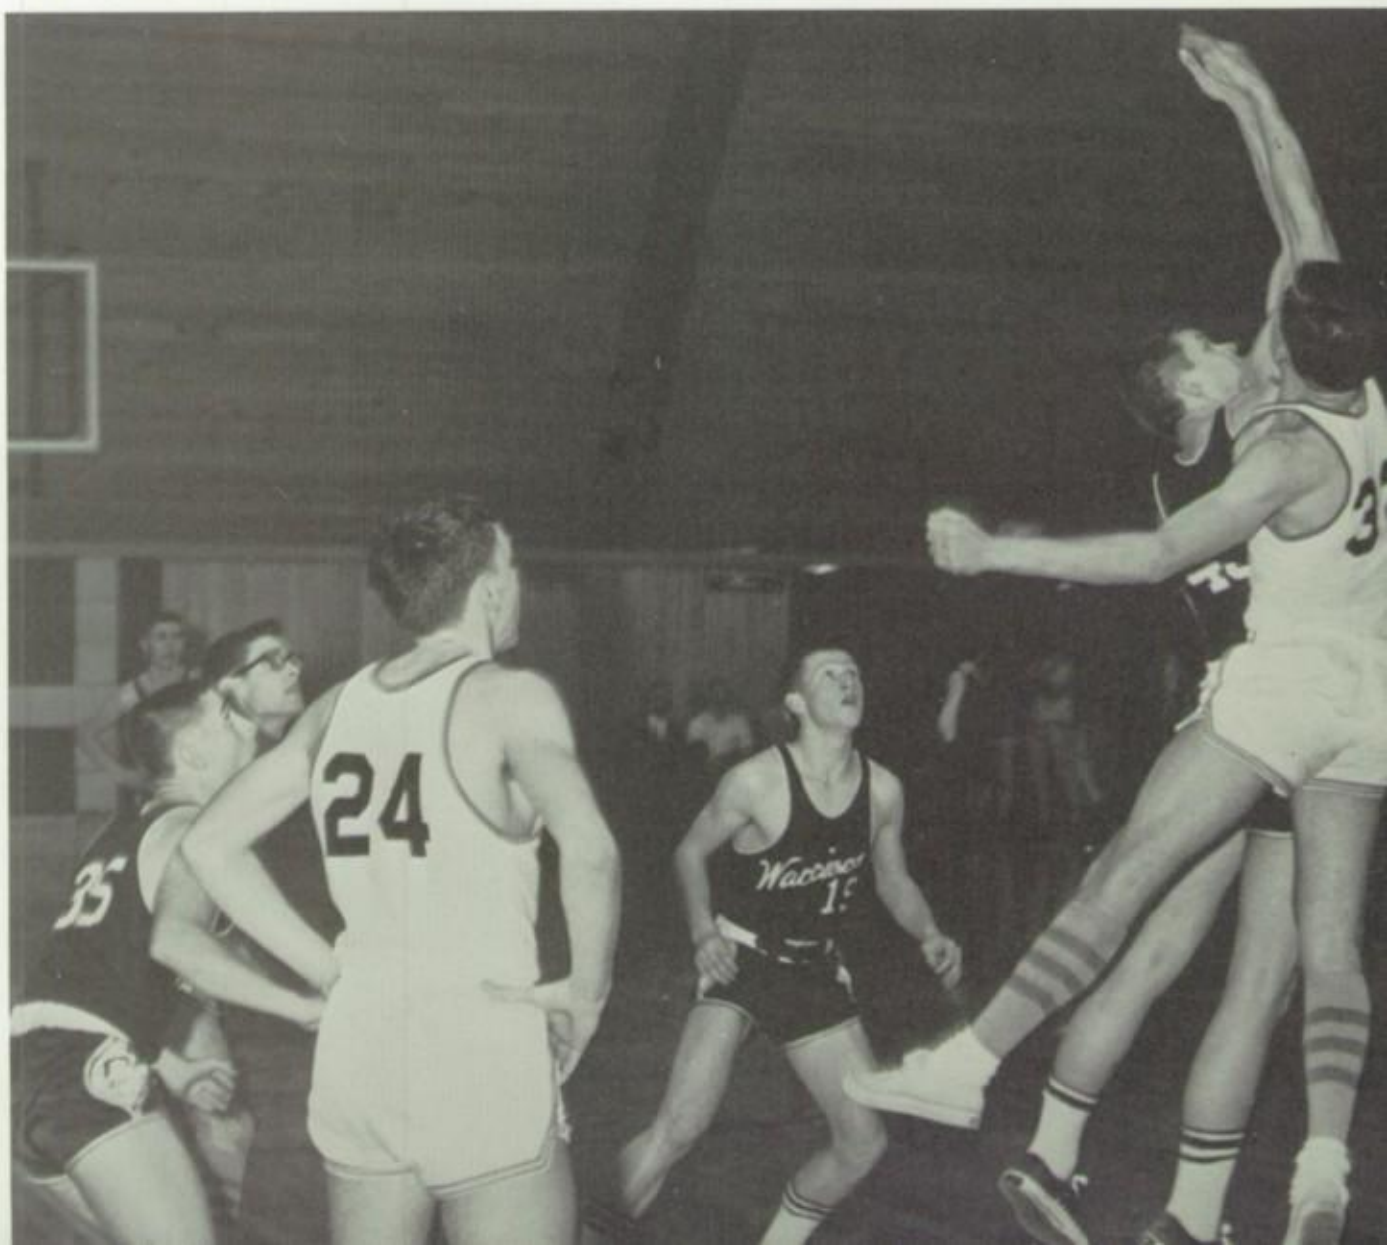
Willard Bradshaw, the only senior on the team, practices for the state contest.

Basketball

Coach Paul Jackson, co-captains Willard Bradshaw and Derrald Mann, and team center Ron Pallin accept the State A-2 basketball championship trophy.

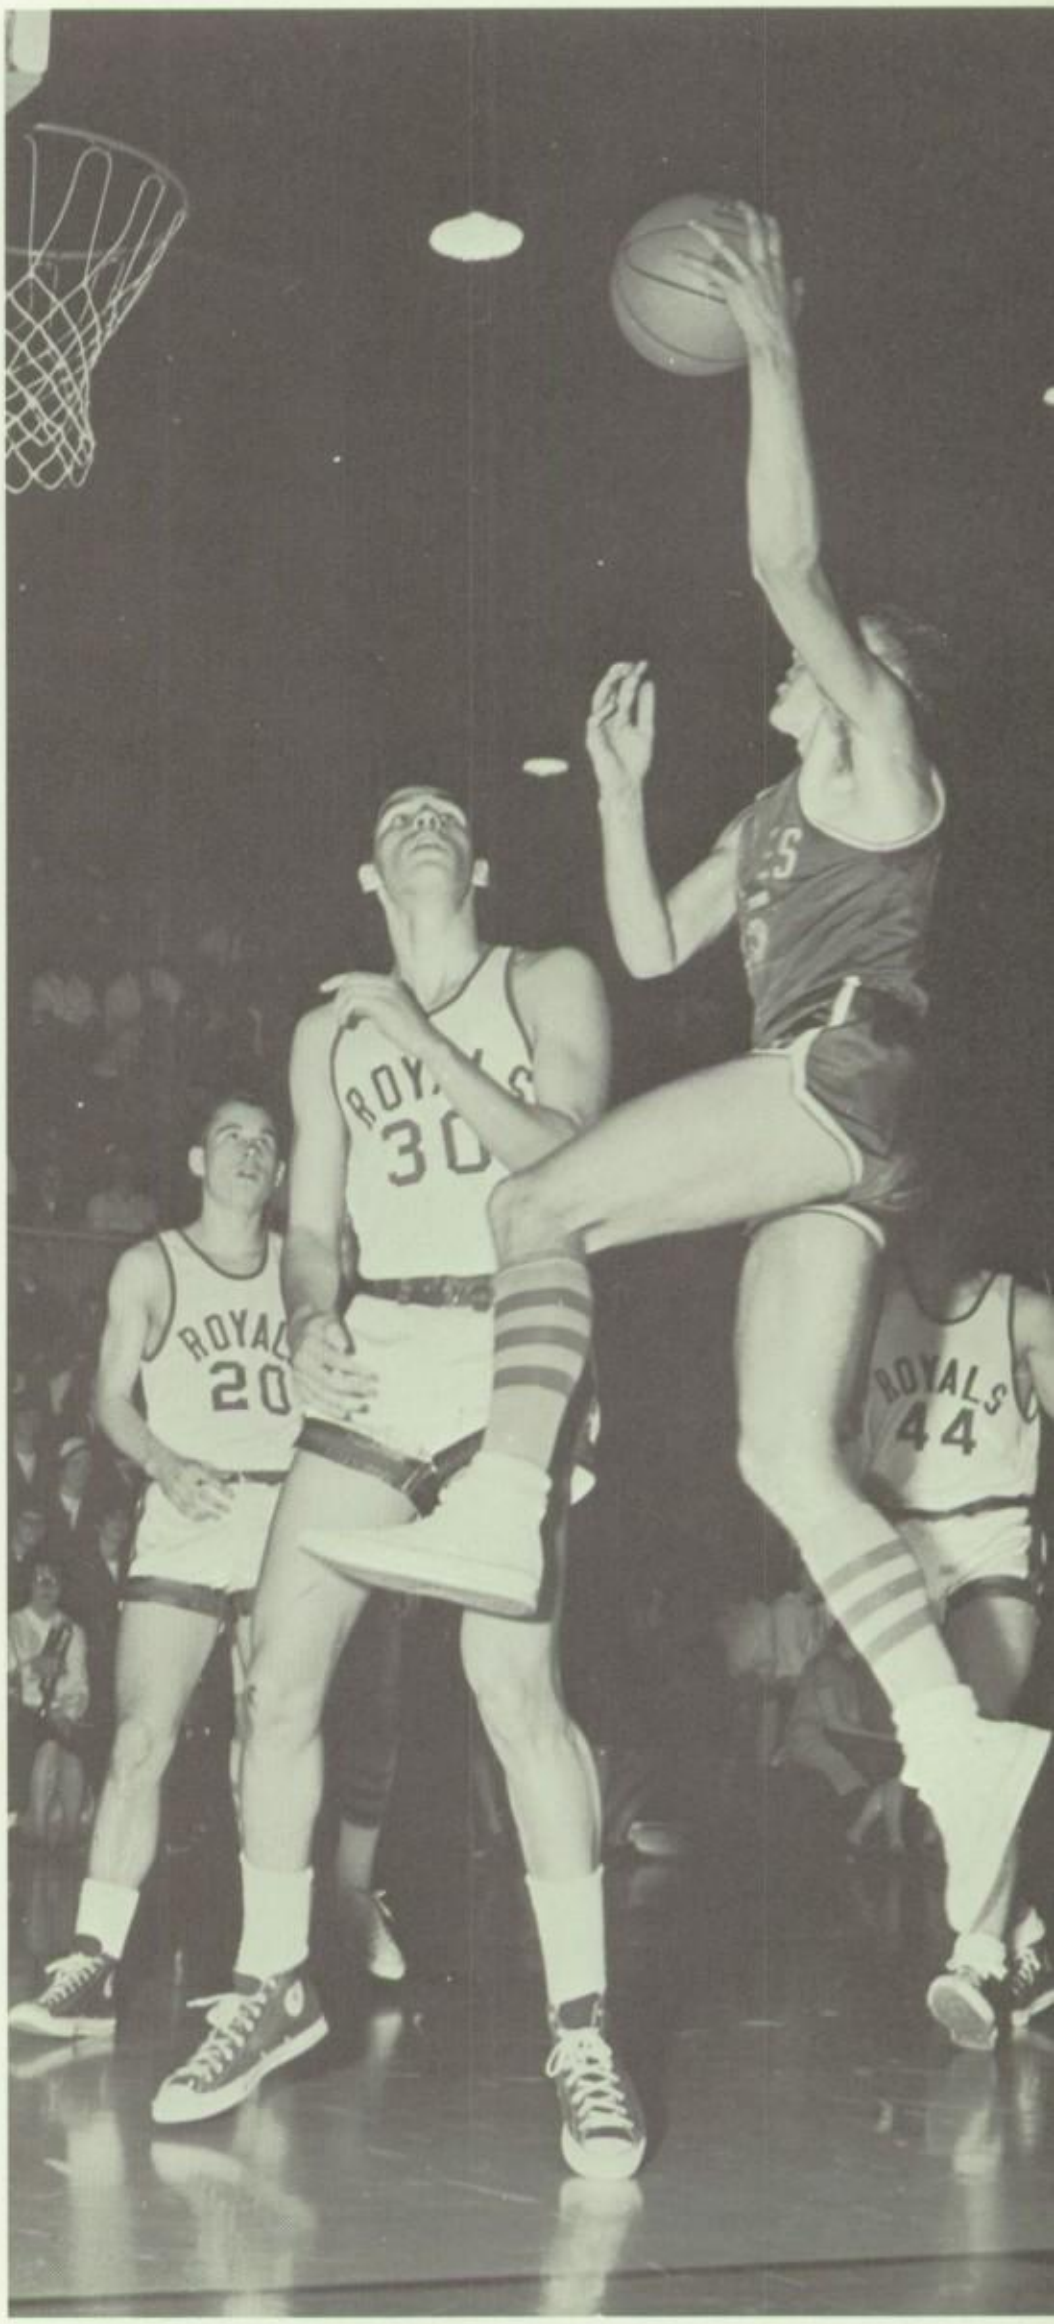
Delbert Mann and Willard Bradshaw watch as teammate Rob Johnson goes up for a jump.



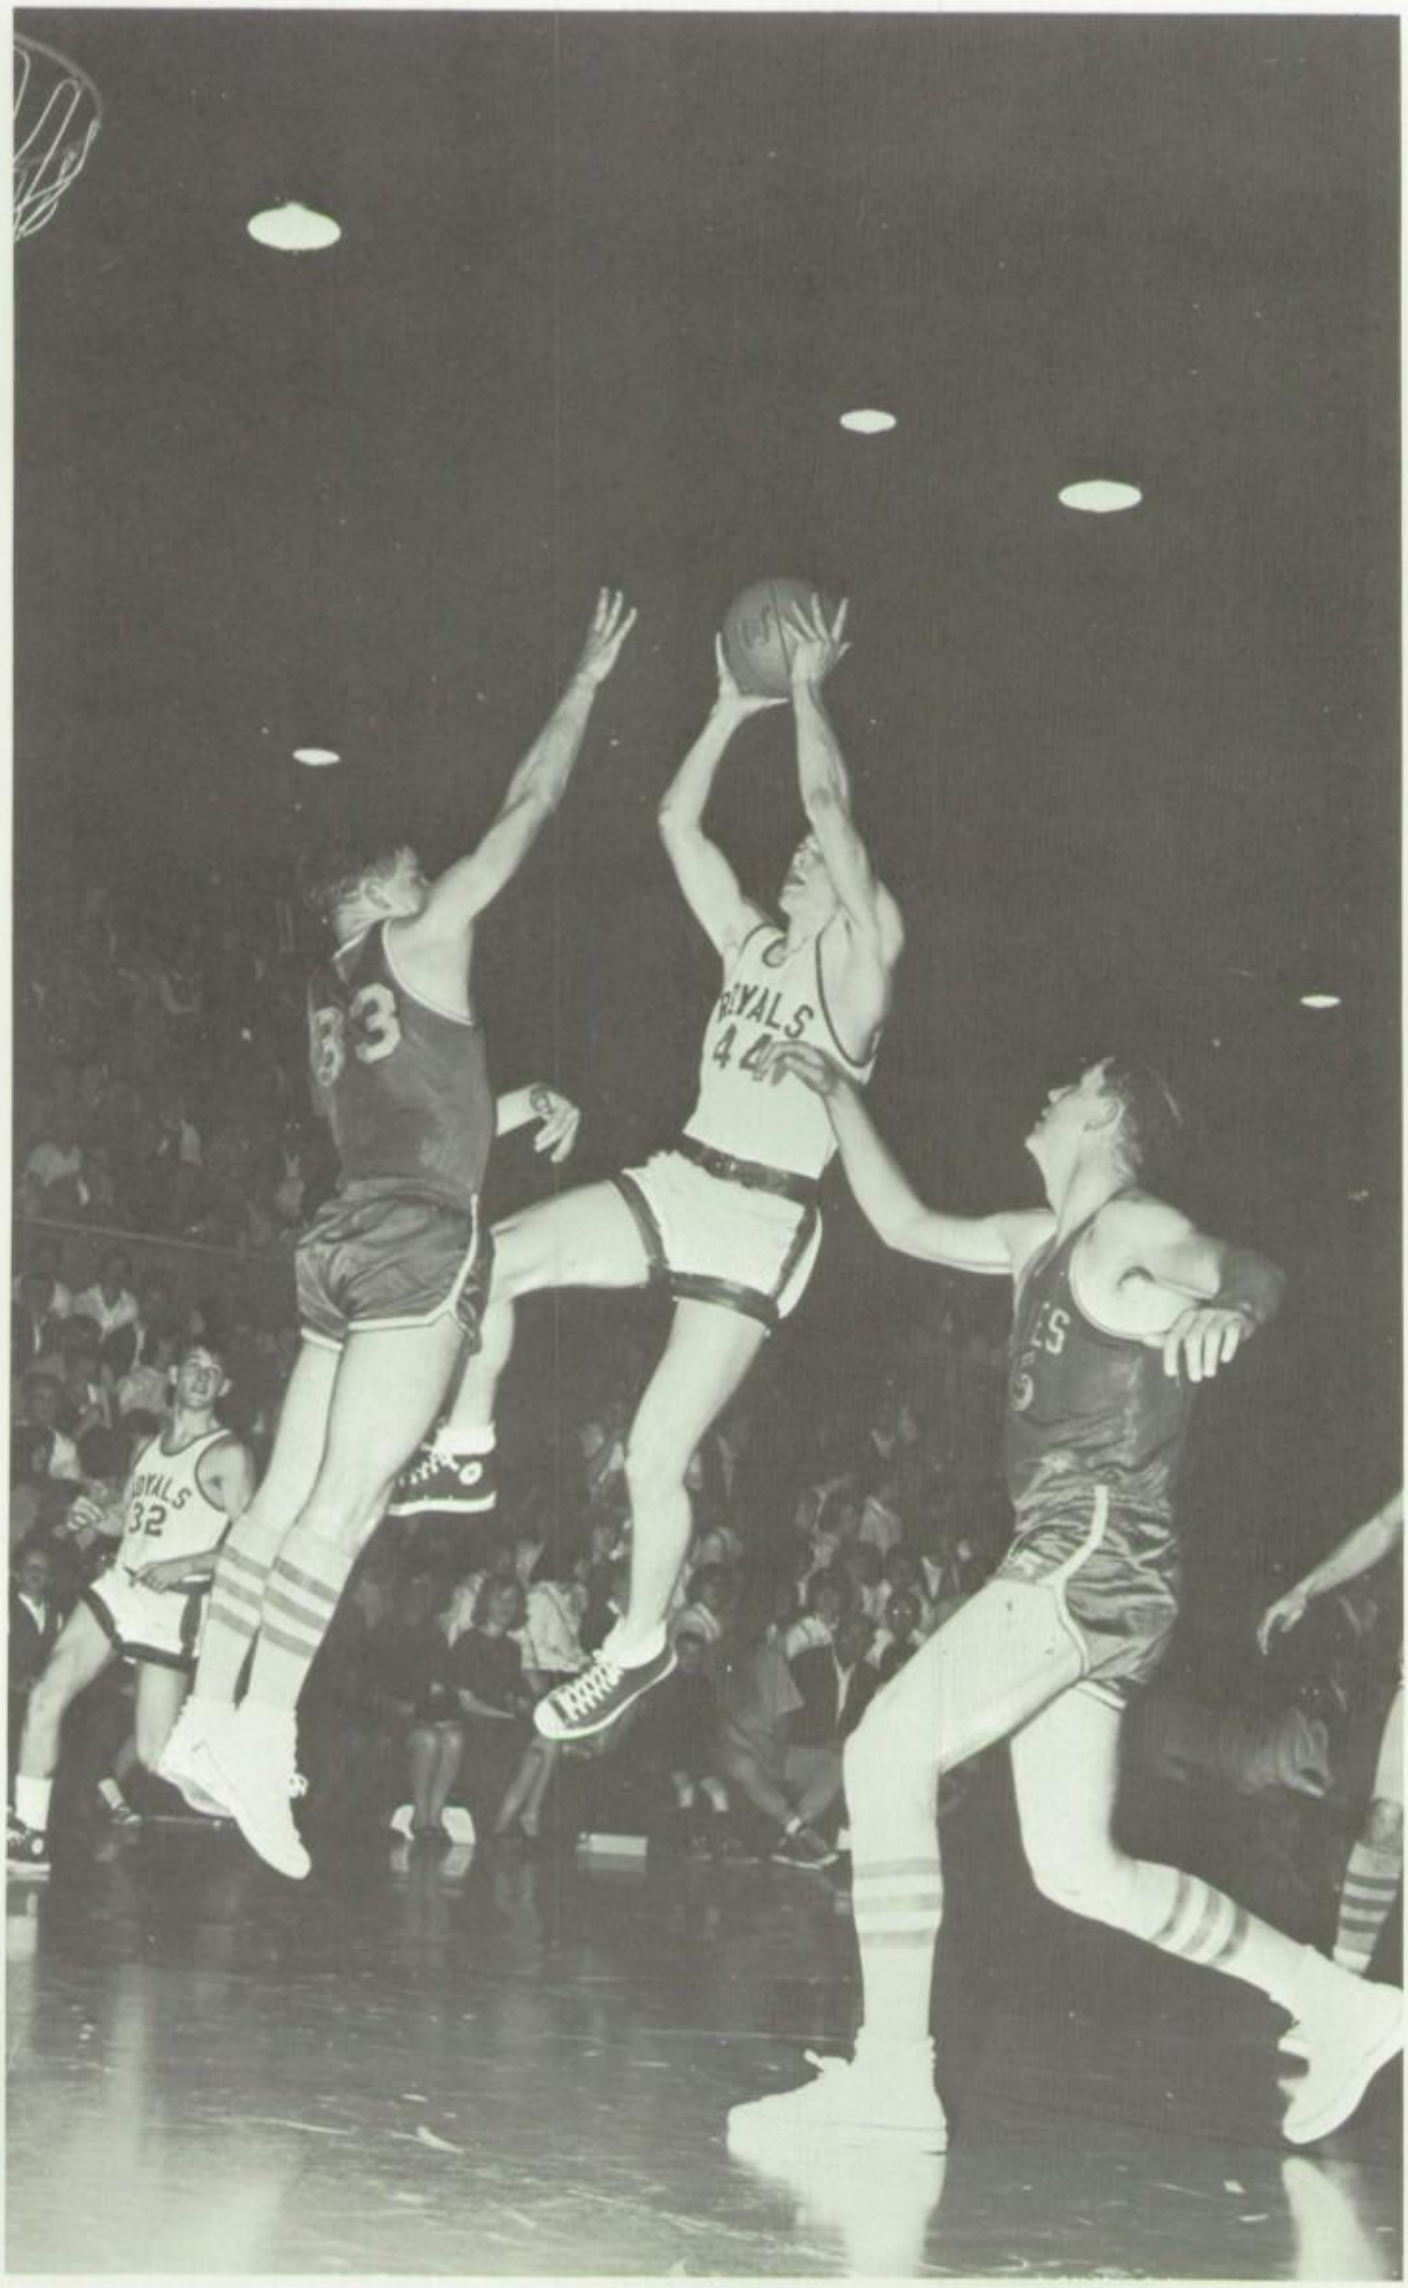
Starting off the 1964-65 basketball season at Woodburn with a 54-48 win, the Pleasant Hill Billies, probably the finest basketball team yet assembled at Pleasant Hill, set a school record of 24 wins and no losses as they went on to take the State A-2 championship.

On route to securing a tourney spot, the Billies coped with some rough league action. After winning the first half league crown, Pleasant Hill ran into three tough games in succession. The Billies squeaked by Central Linn, 40-37, and then nosed out St. Francis, 48-47. The Billies clinched a tourney berth with a 96-35 win over Creswell. Capping off the regular season, the Billies compiled 103 points to Drain's 59. This was the second time during the season Pleasant Hill surpassed the century mark, and it set two more records.

Out of seven non-league games, Pleasant Hill set a record at Toledo by scoring 114 points, the highest total ever accumulated by an A-2 school in a single game.



A left-handed shot and Willard Bradshaw scores two points.

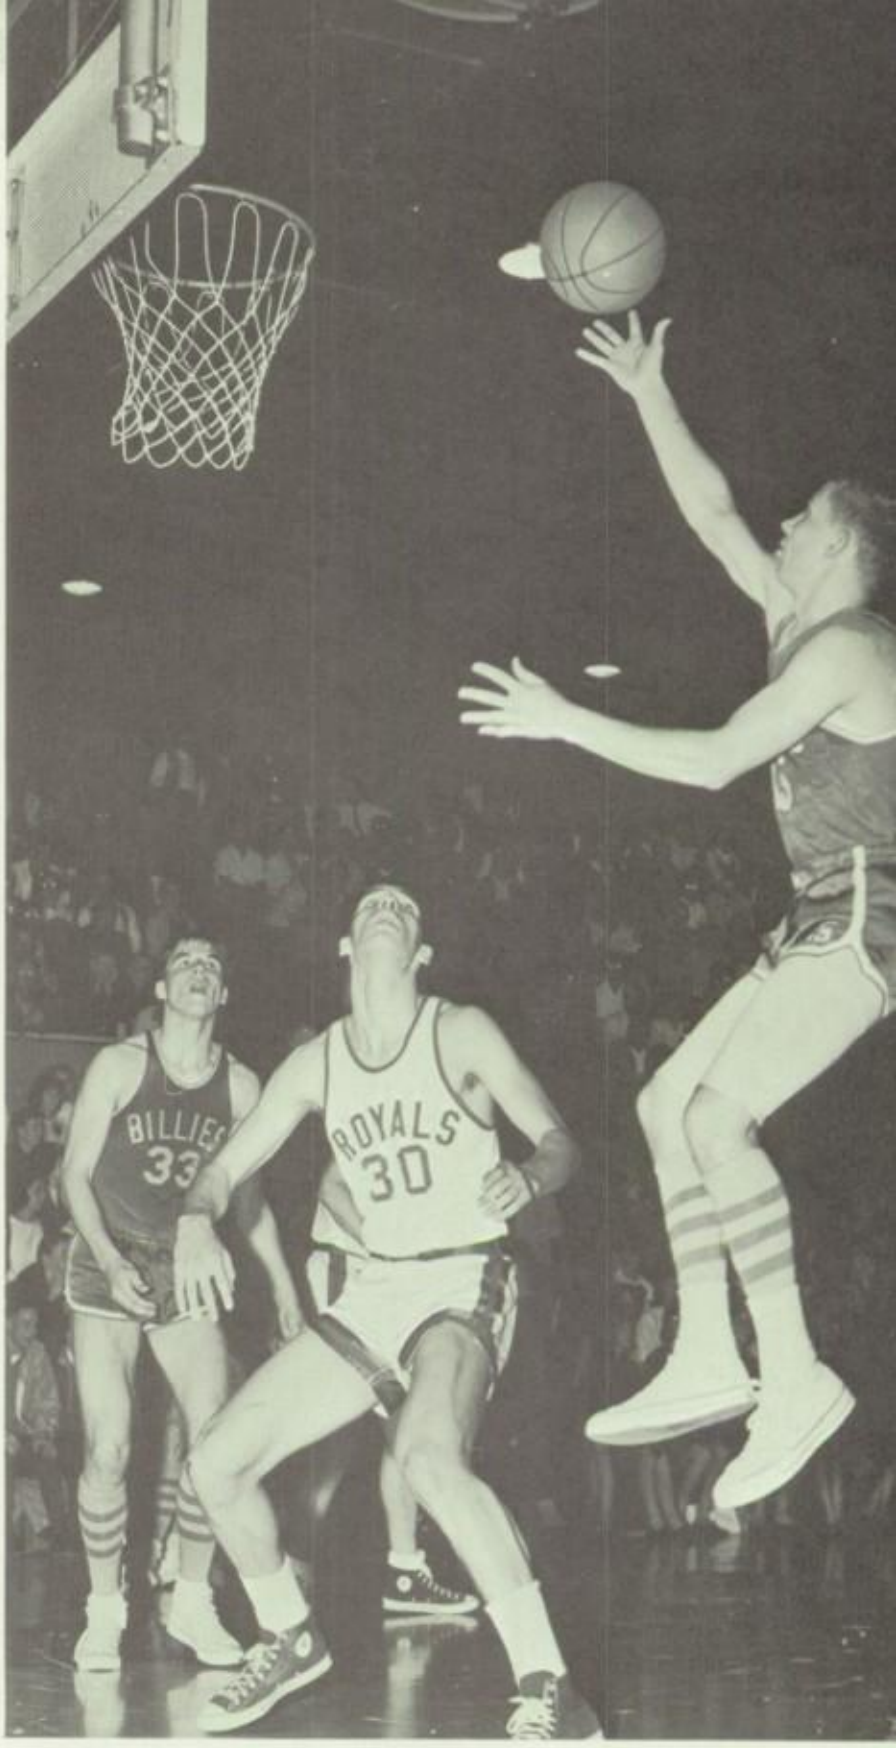


Forward Robert Johnson leaps high to block a shot from a North Catholic player.

At state, the Billies first encountered fourth-ranked Myrtle Point. It was a close contest all the way, and with 52 seconds left on the clock Pleasant Hill held a shaky two-point advantage. However, free throws by Ron Pallin and Stan Surdam plus a two-pointer by Robert Johnson insured a 67-61 victory.

In the semi-final action, the Billies met and downed North Catholic, 74-65. Free-throws, balanced scoring, and marvelous accuracy from the field were the key factors of this game, in which five men went the entire 32 minutes. Stan Durdam, Willard Bradshaw, Ron Pallin and Derrald Mann all hit in double figures.

In the championship game against Dayton, the Pleasant Hill fast-break brand of basketball once more spelled victory for the Billies. Dayton was defeated in a game that saw four records set. Derrald Mann made a record number of field goals, 15, for one game as he set an individual scoring record of 35 points in a single game. This game also set a tournament record for the most points scored by two teams in a championship game and Pleasant Hill became the first school to win two A-2 basketball championships.



Junior guard Stan Surdan drives in for a lay-up.

Senior forward Willard Bradshaw fights for a rebound.

Improving their shooting eyes during a JV practice session are Dan Siroshton, Mickie Hill, Doug Putschler, Larry Wampler, and Dennis Ewing.

During a pre-game pep talk Coach Paul Jackson emphasizes the importance of the full court press.

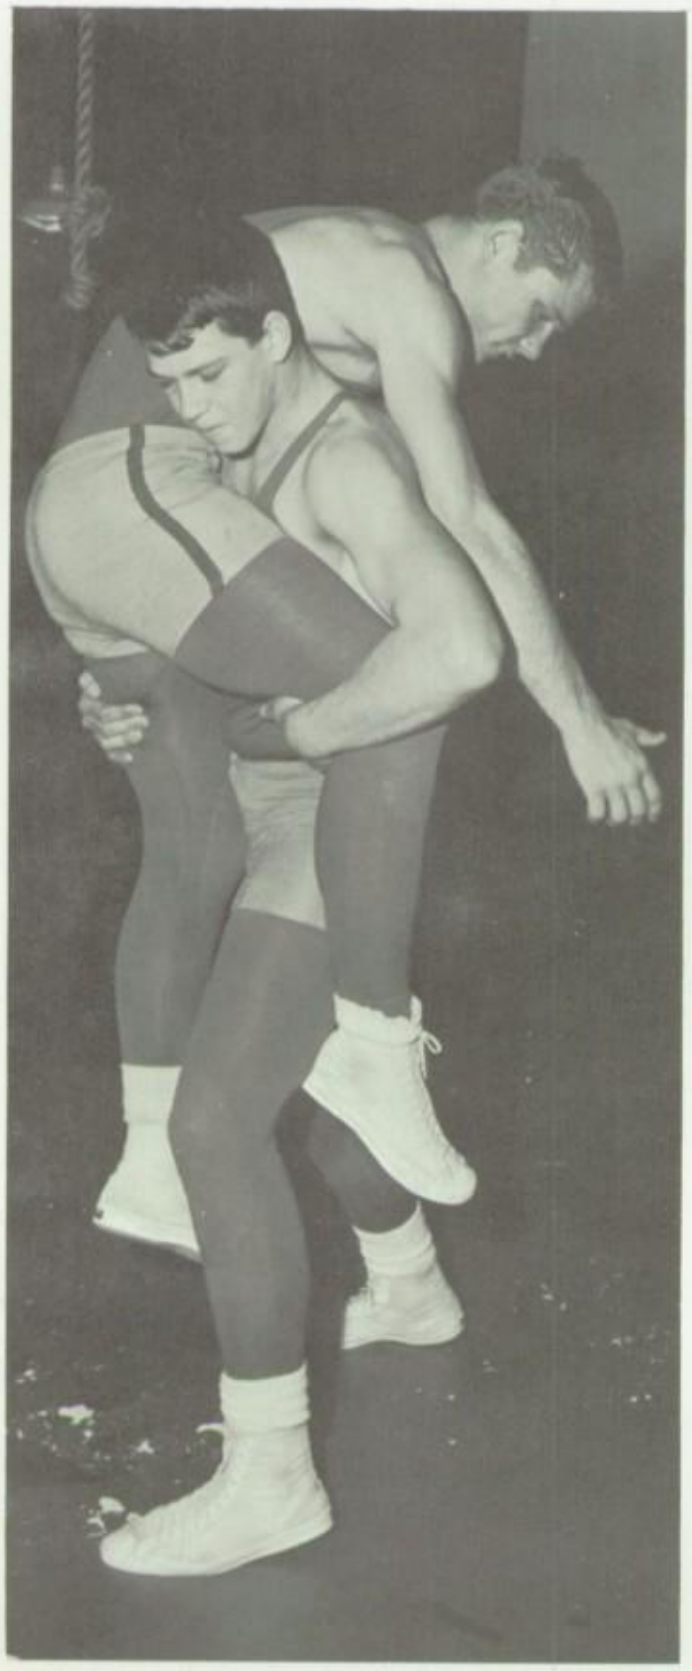
Jumping high, John Collins tips the ball to JV teammates.

Wrestling

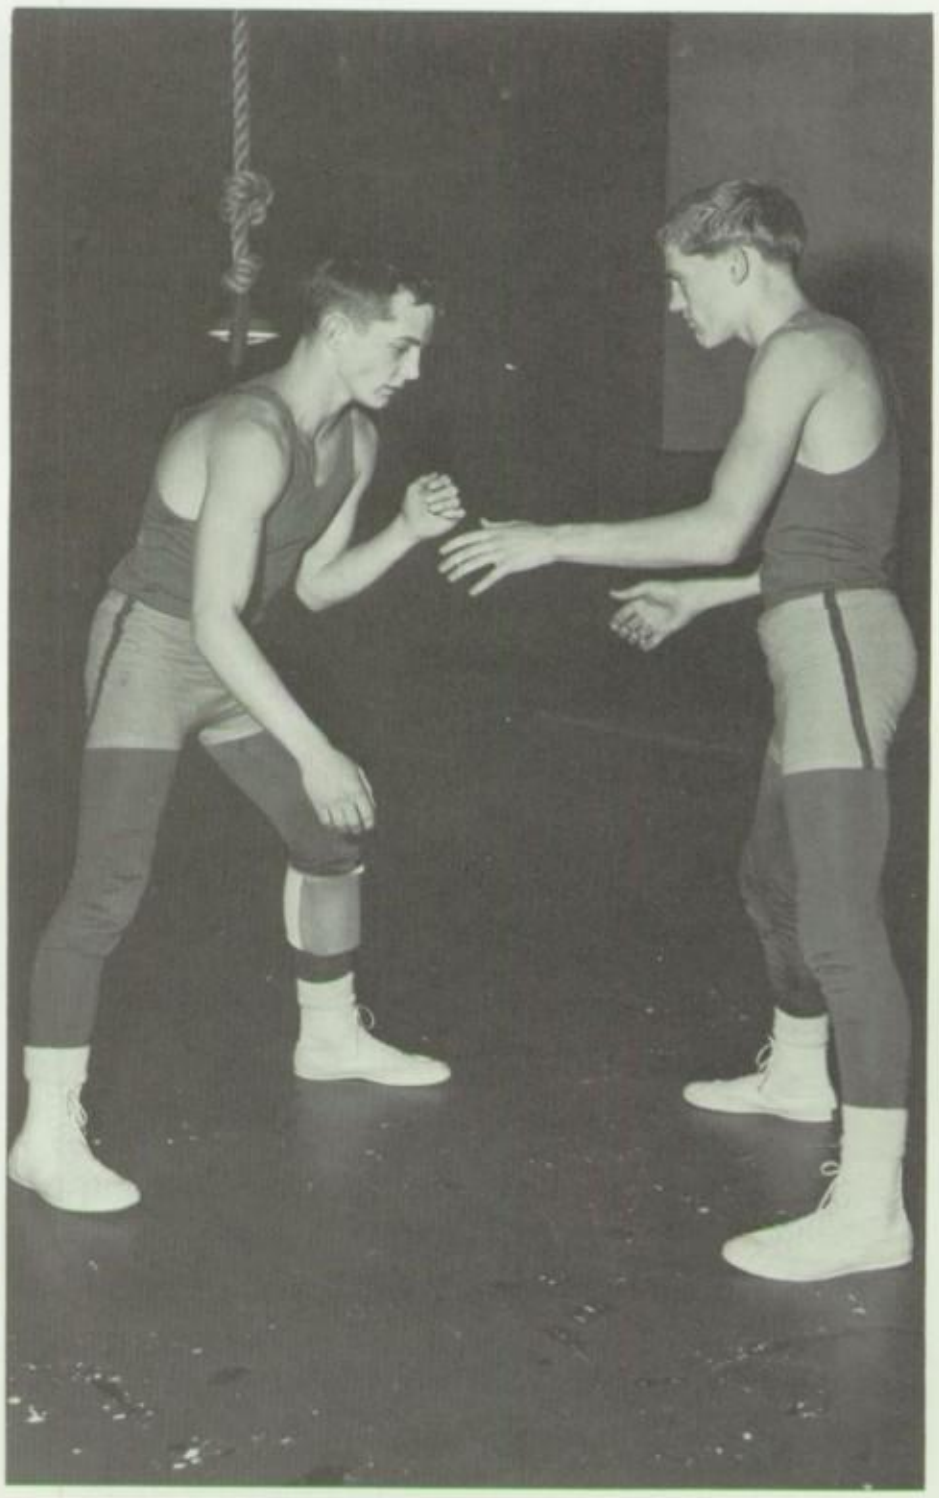
The Billie wrestlers had a fine season this year, finishing second in league and placing fourth in district.

The squad sent six men to the state wrestling tournament. Dean Krohnke, 191, Don Bain, 123, and Dave Fountain, 157, qualified by taking first places in district and Bob Olson, 178, Ralph Christensen, 136, and Frank Large, heavyweight; qualified by taking seconds. Fountain, who placed fifth in State, was named outstanding wrestler of the year.

Ralph Christensen and Don Bain were the team's co-captains.



Bob Olson attempts to throw teammate Dean Krohnke during a practice match.



Don Bain and Mike Massingham practice their approaches during an after-school work out.

Dave Aldrich and Dave Fountain work on new holds.

Coach Ralph Perkins lectures the squad before the district meet.

Track

Receiving the state track championship trophy are jubilant PH trackmen, John Simon, Ernie Moore, Terry Dotson, and Eric Falk.

Jay Hammitt and Willard Bradshaw lead the field into the final lap of the mile run at state.

The Billie track team, under the coaching of Jim Puckett, scored an impressive 64 points as they won the 1965 state cinder crown, clipping their nearest competitor, Reedsport, by 19 points.

The men who did well all through the season came through with flying colors at state. At Corvallis, Jay Hammitt not only set a state A-2 record for the mile, winning it in 4:22, but he also won the 880. Ernie Moore won both the 100 and 220-yard dashes. In the 100, Moore blistered the cinders for a 10.0 clocking and then came back to win the 220 in 22.5. In the high hurdles, senior John Simon placed second with a 15.3 timing. Another senior, Willard Bradshaw, did well in the distance races, placing fourth in the 880 and second in the mile. Lonnie Bradshaw, only a sophomore, took fourth in the two mile.

Pleasant Hill shocked everyone when they captured the district title. Practically half of the Billies' points were accumulated in the distance races. Jay Hammitt, Willard Bradshaw, Lynn Davis, Ray Hammitt, and Lonnie Bradshaw paced the way. Ernie Moore was again a double winner at district in his two sprinting events. At district, John placed second in the high and third in the low hurdles.

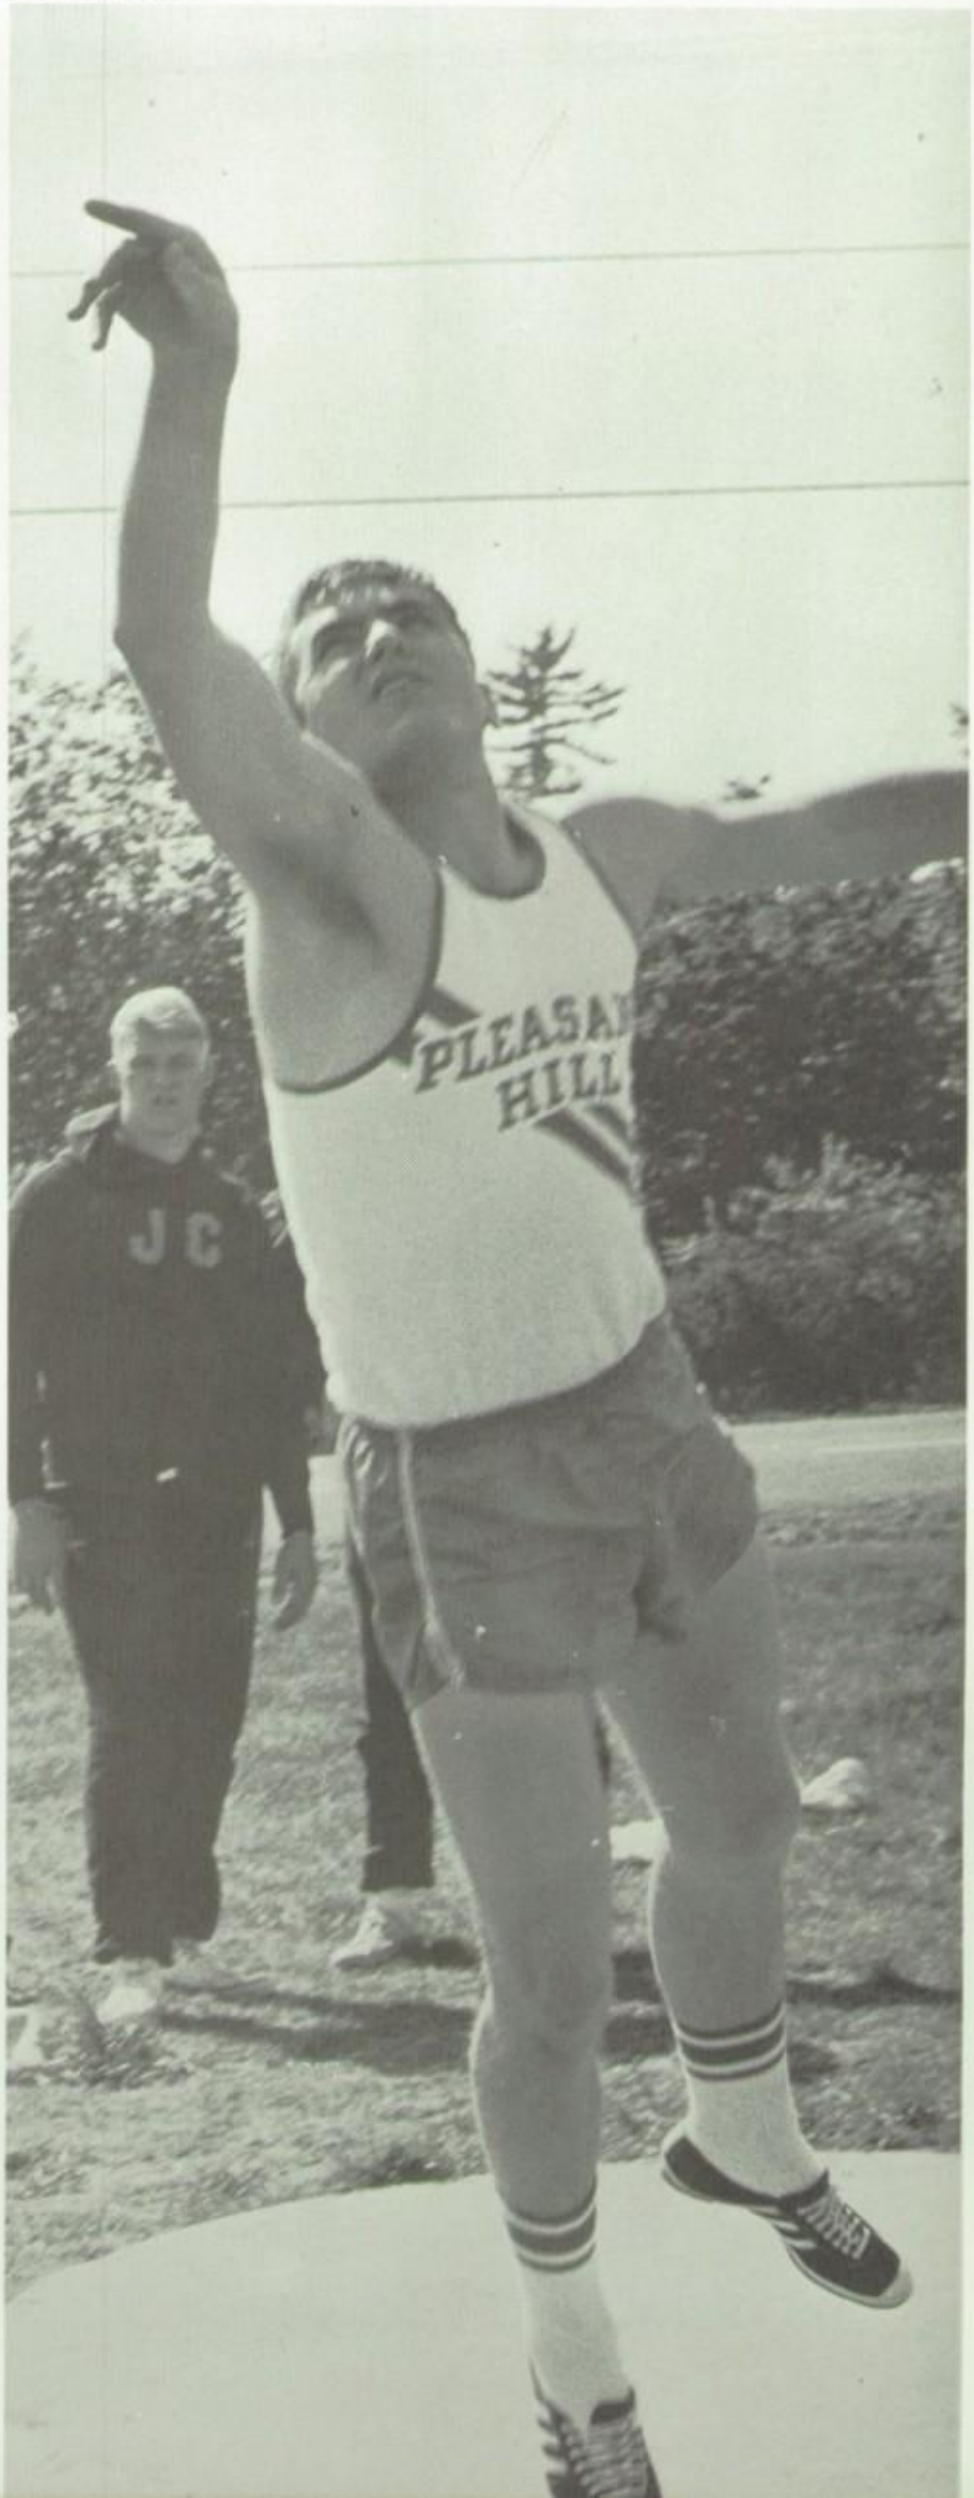
John Simon takes each hurdle in stride on his way to a second place finish.

Robert Johnson passes the baton to Ernie Moore for the last leg of the 880-yd. relay.

Freshman Eric Falk strains for distance in the broad jump.

Terry Dotson awaits the gun for the start of the 440.

Shot putter Ron Barker places fourth in district with a throw of 46-7½ feet.



Baseball

The 1965 baseball season ended with a fairly successful over-all record of 6 wins and 14 losses. However, in league play the Billies finished in the cellar position with a 1-win, 9-loss record.

Mike Boggs, Terry Dowdy, Don Laird, Trig Soleim and Don Erickson were given honorable mention on the League all-star team. Don Laird was voted by the coaches as the most valuable player.

The members of this year's baseball team are, *Row 1:* John Collins, Dennis Ewing, Doug Putschler, Mike Boggs, Bob Olson, Don Erickson, Terry Dowdy, Randy Parr. *Row 2:* Coach Bill Lane, Coach Bob Darling, Don Laird, Marc Paulman, Keith Weiss, Trig Soleim, Dale Jordan, Leland Dworshak.

The seniors on this year's team are: Marc Paulman, first base; Mike Boggs, pitcher; Don Laird, second base; Trig Soleim, third base; and Keith Weiss, catcher.

Girls'

Team members stagger to their feet and try to gather their senses after butting heads in a scrimmage.

Girls' athletics became an active part of the Pleasant Hill curriculum this year. The girls participated in a variety of sports including football, track, basketball and volleyball.

This year's rough and tumble powder puff football game held in November was fun for players and spectators alike, although the score was a perfect 0 to 0.

Basketball and volleyball meets between PH and Drain girls did much to promote an intermural sports program. They also gave the girls a chance to develop athletic skills and sportsmanship.

An active girls' track team made the news this year. It participated in several track meets and ended the season by tying for second place in the state meet.

Stray players, followed by referee Delbert Mann, run to get in on the action.
